1-2.3 Exceptions to these rules may be made by the LYSA Board.

1-3.0 Levels of Youth Play

There shall be three levels of youth play within LYSA as follows:

1-3.1 **Recreational** - Recreational play shall be offered to all the youth of Fayette County and surrounding counties to promote the growth of and appreciation for the game of Soccer. Recreational play will be open to all youth who:

- b) have complied with the existing registration requirements or had said requirements waived by action of the Board of Directors of LYSA; and
- c) whose parent or guardian has agreed to comply with all LYSA rules and policies by signing and submitting to the LYSA Registrar a registration form for the season in which the player wishes to participate.

Participation in Recreational play shall not be restricted in any way by the ability of the player. Nor may the ability of the player be considered in the formation of teams.

1-3.2 **TOPSoccer League** – LYSA will offer a League for players with special needs to all persons of Fayette County and surrounding counties for whom it may not be appropriate to play in any of our other leagues. This league will be based upon the USYSA’s TOPSoccer program but not limited by it. The formation of teams and the manner of playing will not be determined by these General Rules but will be determined by separate TOPSoccer League General Rules. These General Rules will be in force in those areas where applicable and not superseded by the TOPSoccer League General Rules.

1-3.3 **Competitive** - Competitive (also called Select) play shall be offered as a complement to the LYSA Recreational programs as an opportunity for players with the desire, ability and/or potential to develop superior soccer skills to compete with and against other players with similar abilities. Participation in Competitive play is restricted to those players who are selected through the tryout process as defined in the Lexington F.C. General Rules.

1-4.0 Seasonal Year/Playing Seasons

1-4.1 The seasonal year for LYSA youth teams shall be from September 1 through August 31 and there shall be two (2) playing seasons during the seasonal year.

Fall	September- November (approximate)
Spring	March - June (approximate)

1-4.2 **Recreational**: A Recreational player is committed to his/her team for the current playing season. A player may request a team change for the next season and will be placed in open registration. If a Recreational player moves from a Recreational team to a Competitive team between the Fall and Spring seasons, he/she will be considered a transfer onto the Competitive team and should be released from his/her Recreational team.

1-4.3 **Competitive**: A Competitive player is committed to his/her team for the current seasonal year. If a Competitive player moves from his/her Competitive team to a Recreational team between the fall and spring seasons, the player must be released from his/her Competitive team. If a Competitive player moves from one Competitive team to another between the fall and spring seasons, he/she must be released from the original team and is considered a transfer onto the new team.

1-5.0 Age Groups

Age Groups shall be composed of players born within the date ranges defined by the Kentucky Youth Soccer Association State Rules in the section titled “Age Limit Definitions and Roster Limitations”.

1-6.0 Age Classification

1-6.1 Age classifications for the fall season will be determined by the player's actual age on July 31 immediately prior to the season for which player assignments are being made.

1-6.2 Players eligible to play in an Age Group during the Fall season will remain eligible to play in the same Age Group during the following Spring season.

1-6.3 All players registering in LYSA must provide proof of age

- a) at the time of their initial registration;
- b) prior to their participation on a Competitive team;
- c) upon request from the LYSA Registrar, the Age Group Commissioner or other LYSA official.

1-6.4 Each coach is responsible for proof of age of his/her assigned players. If the age of one or more players is challenged through the appeals process as defined in LYSA RULE 11 - APPEALS AND PROTESTS, the coach must furnish the Appeals Committee with reasonable proof of the player's age. The penalty for using a player who is too old may be found in LYSA RULE 3-3.0 - Eligible Players.

RULE 2 - REGISTRATION OF PLAYERS

2-1.0 Registration of Players

2-1.1 The Registrar, at the direction of the LYSA Board, will plan and conduct player registration prior to each season, and will establish the dates for closing of registration.

2-1.2 **Family Participation:** In order to facilitate the involvement of the families of all participants, at the time of registration each family will commit to a task/position within the LYSA organization OR pay an additional fee in the amount determined by the LYSA Board of Directors.

2-2.0 Formation of Teams

2-2.1 **Recreational Teams:** Mixed (boys and girls) teams and All Girls teams shall be formed on a two year age grouping in all Age Groups, except Under 5 and Under 6, as defined in LYSA RULE 1-5.0 where sufficient players register to form four or more teams for intra-association play or to form one or more team(s) for external league play or mixed Recreational league play at the discretion of the League Directors. The number of teams to be formed in each age group shall be determined by the appropriate League Director.

2-2.2 **Competitive Teams:** Competitive teams may be formed, subject to the approval of the Board of Directors on a single birth year basis, beginning at age eight (8). Competitive teams may be formed, subject to the approval of the LYSA Board of Directors, on a two year age grouping in cases where the number of registered players in the two-year Age Group is not sufficient to support two single birth year Competitive teams. Competitive teams may be formed as either Mixed or All Girls. Competitive teams shall be formed prior to the formation of Recreational teams for the Fall Season and shall not be reformed in the Spring, except for teams in the Under 16 and Under 19 Age Groups if such teams were not formed in the Fall.

2-3.0 Recreational Player Assignment

2-3.1 Players will be assigned to teams by an Age Group Commissioner according to these rules.

2-3.2 Returning players (those who played in LYSA during the immediately preceding season and who registered prior to the close of registration for the next scheduled season) will be reassigned to the team on which they played during the immediately preceding season, if the age limit as defined in LYSA RULE 1-5.0 has not been exceeded, unless the player's parent or guardian requests a team change. Players requesting a team change will be placed in "open" registration and assigned as set forth in LYSA RULE 2-3.6.

2-3.3 Players not returning to the same team, those moving up in age classification and those registering after the close of registration for the next scheduled season will be placed in "open" registration and assigned as set forth in LYSA RULE 2-3.6.

2-3.4 Players will be automatically moved up to the next Age Group on the basis of birth year only as defined in LYSA RULE 1-5.0, except that a parent or guardian may request that a child be moved up to the next Age Group if the child's birth year is within one year of qualifying for the next Age Group, and a sibling plays in the next Age Group on the team for which the child will play.

2-3.5 Creation of single birth-year teams is not permitted. An attempt should be made to ensure that not more than two-thirds (2/3) of the players assigned to a team may have the same birth-year.

2-3.6 Players in "open" registration will be assigned to teams without regard to the ability of the player. Players may be assigned to teams on the basis of geographic location of residence provided such assignment is otherwise, random in nature whenever possible to do so, with consideration being given in team assignment to the distribution of ages and sexes on each team.

2-3.7 Players for whom a registration is received after the registration deadline may be placed on a team based on a team's need for players regardless of any of the previously mentioned considerations. This means that a returning player may not be returned to a team or a player may not be placed on a geographically convenient team if there is another team that has a greater need for players as determined by the Age Group Commissioner or League Director.

2-3.8 Tryouts are not permitted as a part of the player assignment process and recruitment of players currently assigned to a LYSA team by Recreational coaches is prohibited. Violation of this rule may result in the dismissal of the coach or other disciplinary action deemed appropriate by the LYSA Board of Directors.

2-3.9 Children of a head coach shall be assigned to that coach's team (unless the Coach requests otherwise) regardless of the method of team formation or geographic location of residence and may be moved up in age classification and assigned to the team coached by their parent if their birth year is within one year of qualifying for that Age Group.

2-3.10 Special requests that do not conform to these team formation guidelines must have the approval of the Age Group Commissioner, League Director and Coach involved.

2-3.11 Players in the Under 19 Age Group may be assigned to teams without regard to geographic location of residence.

2-4.0 Competitive Team Player Assignment

2-4.1 Players will be selected for and assigned to competitive teams using the process described by the Lexington F.C. General Rules.

2-5.2 Recreational coaches will be required to accept players from “open registration” prior to the first scheduled play date if the number of assigned players is below the allowed maximum for that age group.

2-5.3 Recreational coaches will not be required to accept players from “open registration” after the first scheduled play date regardless of roster size, but may do so at their discretion.

2-5.4 The number of players assigned to a competitive team shall be as described in the Lexington F.C. General Rules.

2-6.0 Adding and Dropping Players

2-6.1 All additional players or replacements for dropped players must be assigned by the League Director with the assistance of the Age Group Commissioner as set forth in LYSA RULES 2-3.0 and 2-4.0.

2-6.2 Coaches may, with the concurrence of the Age Group Commissioner and the League Director, drop players who miss four (4) or more scheduled events (practices and games) without a legitimate excuse (such as illness or injury), provided no other player

on the team has missed the same or a greater number of scheduled events without similar action by the coach and the coach provides the Age Group Commissioner and League Director an up-to-date record of team attendance at all scheduled practices and games during the season.

2-6.3 Coaches shall report all roster reductions (player withdrawals, drops, etc.) within 48 hours of receiving notification of the reduction to the Age Group Commissioner. PENALTY: Disciplinary action, which may include forfeiture of one or more games, shall be determined by the Appeals Committee under the provisions of LYSA RULE 11 - APPEALS AND PROTESTS.

2-6.4 The adding and dropping of players from a competitive team roster shall be done in accordance with Lexington F.C. General Rules.

2-7.0 Multiple Registration

2-7.1 “Multiple registration” within LYSA will not be permitted. Any individual may only be registered to play on one LYSA team at a time.

2-7.2 An individual who is already registered to play on a team affiliated with another organization may not be registered to play on a team within LYSA.

2-7.3 If a LYSA player chooses to be registered to play on another team affiliated with another organization then that individual must inform the LYSA registrar and the coach of their LYSA team of that fact.

2-7.4 If an individual is registered to play on another team affiliated with another organization then that individual must be registered with KYSA such that the LYSA team is their primary team as defined by KYSA rules.

RULE 3 - TEAMS

3-1.0 Required Playing Time

3-1.1 A coach shall not intentionally reduce the playing time of any player on the team who is present for the entire game to less than one-half (1/2) the length of the game for Recreational teams or to less than one-third (1/3) the length of the game for Competitive teams under the age of 15 in any one game unless: a) the coach notifies and gives reasonable justification to the player, his/her parent or guardian, and the opposing coach prior to the game; b) the player receives a serious injury; or c) the player or his/her parent or guardian requests the coach to do so.

3-1.2 If the player, his/her parent or guardian, or the opposing coach believes that the minimum playing time has not been allowed, such person shall notify the Age Group Commissioner or the League Director at the earliest possible time.

3-1.3 The Age Group Commissioner or League Director may arrange a conference between the coach and the parent or guardian involved with the purpose of attempting to resolve the matter.

3-1.4 If, however, the Age Group Commissioner or League Director believes the infraction is of a serious nature, or the matter cannot be resolved by a conference, he/she shall forward a response to the Appeals Committee, who will consider it the same as an appeal made by a coach, parent or guardian.

3-1.5 Nothing in this section shall preclude a coach, parent, or guardian from forwarding an appeal from any decisions taken by the Age Group Commissioner or League Director. PENALTY: Disciplinary action, which may include replay or forfeiture of the games in which the violation occurs, to be determined by the Appeals Committee under the provisions of LYSA RULE 11 - APPEALS AND PROTESTS.

3-3.2 In the event of a question regarding player eligibility as defined in LYSA RULE 3-3.1 or player participation as defined in LYSA RULE 3-1.0, a coach may request a player list (roster) from the opposing coach. If the opposing coach does not provide the list at the time of the request, the coach may notify the opposing coach that he/she is playing the game under protest. This action does not, however, constitute a formal protest, which must be filed as specified in LYSA RULE 11 - APPEALS AND PROTESTS.

3-3.3 If a player, coach, parent, Referee or other participant in LYSA believes that a team is fielding an ineligible player or players, he/she shall notify the Age Group Commissioner or League Director at the earliest possible time.

3-3.4 Upon receipt of such notification, the Age Group Commissioner or League Director shall determine if each such player is an eligible player.

3-3.5 If, in the determination of the Age Group Commissioner or League Director, a player is ineligible and has participated in one or more games, the Age Group Commissioner shall declare that said team has forfeited all games in which the ineligible player participated. The ineligible player, the coach of the team using an ineligible player and any other LYSA member involved may also be sanctioned.

3-6.2 Competition in any non-LYSA competition shall be governed according to the Rules of the International Football Association Board (FIFA) plus any specific exception or modifications, which may be established by the league/tournament officials responsible for the competition.

3-6.3 Play between LYSA teams and other KYSA affiliated organization's teams, unless otherwise provided for by the competition, shall be governed by the KYSA State Rules.

3-6.4 Compliance with LYSA RULE 3-1.0 Required Playing Time is not compulsory in non-LYSA scheduled play outside LYSA unless a similar rule applies to all teams in the competition. However, voluntary compliance is strongly recommended.
